

# Online Library Catalog: Foreign Language Films

## Foreign Language Films

The University of Illinois Library at Urbana-Champaign owns many foreign-language films that are housed in the Media and Reserve Center of the Undergraduate Library. If you know the title of the film or name of the director, you can find specific works in the Library's online catalog by searching the title or director (under author). This guide will help you to browse through lists of foreign language films.

### ***Searching by the Subject Feature Films with the Limit by language (i.e French, Spanish, etc.) under Language and Films/Videos under Primary Format in Advanced Search***

- 1) Go to <http://www.library.uiuc.edu/catalog/>
